Brrr...It's cold outside!

*This Christmas, you and your friends can help
a new refugee family have a safe, warm first
night in Canada.*

Three ideas for how you can help:

12 Days of Christmas: a great way for a group of people to rally together to provide new basic needs items for refugee families (more information is enclosed).

Advent Calendar Companion: help your children extend the gifts of compassion and generosity this Advent (more information is enclosed).

Giving Back at Christmas: take a part of what you normally spend on Christmas gifts for family and friends and decide to share it with refugee families! Give a financial gift online: www.crowc.TO

*You can mix and match any of the above . . .
or come up with your own creative approach!*
