# Brrr...It's cold outside!

*This Christmas, you and your friends can help  
a new refugee family have a safe, warm first  
night in Canada.*

Three ideas for how you can help:

**Three Gifts Initiative:** a great way for a group of people to rally together to provide new items for refugee families (more information is enclosed).

**Advent Calendar Companion:** help your children extend the gifts of compassion and generosity this Advent (more information is enclosed).

**Giving Back at Christmas:** take a part of what you normally spend on Christmas gifts for family and friends and decide to share it with refugee families! Give a financial gift online: [www.crowc.TO](http://www.crowc.TO)

*You can mix and match any of the above . . .  
or come up with your own creative approach!*
